

Maheen Niaz

Web & Graphic Designer

ABOUT ME

Hello, I'm Maheen Niaz, Web & Graphic Designer with 2+ years of experience and 40+ completed projects. With expertise in creating visually appealing designs and developing high-performance web applications.

I started as a Graphic Designer at Madinah Al Sham in Sharjah, and later expanded into WordPress development at Kolob Designs and Exotic IT Hub. Currently, I work as a Software Developer at ScriptExp Private Limited, delivering innovative solutions.

My mission is to create user-friendly websites, web applications, and designs that bring your vision to life. Let's collaborate!
